

STEP TO THE PLATE

CLEATS DON'T FIT THIS YEAR?

BAT OR GLOVE TO SMALL THIS YEAR?

DON'T TOSS THEM - DONATE THEM....

CLEAN OUT YOUR CLOSETS AND STEP TO THE PLATE!!

Shaw Park Baseball invites you to clean your closets of serviceable baseball items to be donated to underprivileged youth. Many children have the desire and ability to play baseball but their families struggle with the financial burden of purchasing suitable equipment to do so. You can help these deserving boys and girls get on the diamond through your generous donations. Shaw Park and Step to the Plate will ensure your donations get to the right hands.

We are accepting donations of new or gently used...

- Youth gloves and cleats
- Youth aluminum bats
- Youth catcher's gear
- Instructional books and videos
- Teaching aids, like batting tees
- Baseballs, of course!

Please bring your donations to the park at your scheduled Skills Test time on February 9th, 2008 and drop them off at the field. You'll feel good knowing that a child somewhere will be able to put on a glove or a pair of cleats and field a grounder because of your generosity.
